Re: *In re: National Prescription Opiate Litigation*, MDL No. 2804 – Government Plaintiff
Fact Sheets

Counsel:

We write on behalf of the Express Scripts Defendants and Optum Defendants (**PBM**s) regarding plaintiffs' widespread failure to comply with the Court's orders to prepare and serve complete Government Plaintiff Fact Sheets (**Fact Sheets**).

On July 29 and August 1, 2024, the Plaintiffs' Executive Committee (**PEC**) filed omnibus motions seeking leave to add claims against Express Scripts and Optum entities on behalf of nearly 2,000 plaintiffs. *See* Dkt. Nos. 5546, 5547, 5548, 5565. Yet, as set forth in detail below, many of those plaintiffs seeking leave to amend have neglected to serve Fact Sheets, served incomplete or deficient Fact Sheets, and/or have failed to timely supplement their Fact Sheets, in violation of multiple orders from the Court. The missing information is highly relevant to evaluating the motion for leave to amend in each individual case and thus its absence is highly prejudicial to the Express Scripts and Optum defendants.

I. PLAINTIFFS' FACT SHEET OBLIGATIONS

On June 19, 2018—more than *six years ago*—the Court ordered all government plaintiffs to complete and serve a Government Plaintiff Fact Sheet, and it has reiterated this requirement repeatedly since. *See* Fact Sheet Implementation Order (Dkt. No. 638); Order to All Governmental Plaintiffs Regarding Re-Service of Plaintiff Fact Sheets (Dkt. No. 4664); Order Regarding Plaintiff Fact Sheets and Service of Process at 2 (Dkt. No. 4801); Order Regarding Failures to Submit Plaintiff Fact Sheets (Dkt. No. 4985). The Court has made abundantly clear the critical importance of completing a Fact Sheet and the consequences for failing to do so: plaintiffs who fail to comply

with the Court's orders "will have their case *dismissed with prejudice* for failure to prosecute, pursuant to Fed. R. Civ. P. 41(b)." Dkt. No. 4985 at 1 (emphasis in original).

The template Government Plaintiff Fact Sheet issued by the Court further establishes that preparation of a complete and accurate Fact Sheet is an ongoing obligation:

Plaintiff (also referred to as "You" throughout) shall provide information responsive to the questions set forth below. . . . You shall provide information reasonably available to You and are not excused from providing the requested information for failure to appropriately investigate Your case. Plaintiff shall *supplement its responses* if it learns that they are incomplete or incorrect in any material respect.

Dkt. No. 638-1 at 1 (emphasis added).

Most recently, on April 6, 2023, the Court granted government plaintiffs "one last opportunity" to "submit a *complete* PFS into the PFS Repository" within 45 days. Dkt No. 4985 at 1 (emphasis supplied). Despite this unequivocal directive, 830 government plaintiffs seeking leave to amend their complaints have failed to submit a Fact Sheet or have submitted partial, deficient, or inaccessible Fact Sheets.

II. FAILURE TO SUBMIT FACT SHEETS

Forty-two government plaintiffs have entirely failed to submit any Fact Sheet at all.¹ The "last opportunity" to submit a Government Plaintiff Fact Sheet expired more than a year ago, on May 22, 2023. Dkt No. 4985 at 1. Pursuant to the Court's orders, cases brought by these forty-two plaintiffs should be "*dismissed with prejudice* for failure to prosecute, pursuant to Fed. R. Civ. P. 41(b))." *Id.* (emphasis in original).

A list of government plaintiffs that have failed to submit Fact Sheets is attached in **Appendix A.**

III. DEFICIENT FACT SHEETS

Substantially Incomplete

Three hundred forty-two government plaintiffs seeking leave to amend have submitted substantially incomplete and deficient Fact Sheets. Many of these plaintiffs have ignored the Court's directive to provide all reasonably available information, appropriately investigate as needed, and supplement incomplete or incorrect responses. *See* Dkt. No. 638-1. Instead, many plaintiffs have responded with some variation of "to be supplemented" or "unknown at this time" to more than half the questions. *See, e.g.,* Plainview-Old Bethpage Public Library, NY, 1:19-op-

¹ "Lakewood City," plaintiff in *City of Lakewood v. Purdue Pharma LP et al.*, 1:18-op-45240, has sought leave to amend to add claims against the Optum Defendants, but not the Express Scripts Defendants. Dkt. Nos. 5547-1; 5548-1.

460612; Islip Terrance Fire District, NY, 1:20-op-45049; Juneau County, WI, 1:18-op-45117; Eagle Pass City, TX, 1:18-op-46033; Town of Orange, NY, 1:19-op-45070.

A list of plaintiffs that have submitted substantially incomplete and deficient Fact Sheets as described herein is attached in **Appendix B, Section 1**.

Failure to Answer Questions B.8 and/or B.9

Another 368 government plaintiffs seeking leave to amend have submitted Fact Sheets that answered some questions but lack a complete answer to Questions B.8 and/or B.9 related to medical insurance carriers, PBMs, and third party administrators. Specifically, Question B.8 requires the responding plaintiff to “[i]dentify every medical insurance plan or carrier, behavioral health carriers, or workers’ compensation program used for any of Your employees since January 1, 2008.” The response must include the name of the entity, dates offered, and the PBM or claims processor. Question B.9 similarly requires the responding plaintiff to “[i]dentify every Pharmacy Benefit Manger and other third-party administrator You used since January 1, 2006.” The response must include the name of the entity, the relevant dates, and the names and titles of individuals who oversaw the program.

Many government plaintiffs seeking leave to amend have simply refused to provide any information in response to Questions B.8 and/or B.9 or stated only that they would supplement in the future. *See, e.g.*, Craig County, OK, 1:19-op-45652; City of St. Joseph, MO, 1:18-op-45798; Culpeper County, VA, 1:19-op-45849; Greensville County, VA, 1:19-op-45848, Bland County, VA, 1:19-op-46065. Other plaintiffs indicated a search for relevant information was underway, but have not yet supplemented their Fact Sheets. *See, e.g.*, Town of Douglas, MA, 1:18-op-45706; City of Lake Charles, LA, 1:19-op-45449; Holyoke City, MA, 1:18-op-45694; City of Mayfield Heights, OH, 1:18-op-45635. Many other plaintiffs responded to Question B.8 and/or B.9 with only “N/A,” without any further explanation. *See, e.g.*, Iberville Parish Council, LA, 1:19-op-45140; Livonia City, MI, 1:18-op-46134. Some plaintiffs purported to answer the questions with attached materials, but neglected to include the relevant attachment with their submission. *See, e.g.*, Melrose City, MA, 1:18-op-45951.

A list of plaintiffs that have failed to provide a complete answer to Questions B.8 and/or B.9 as described herein is attached in **Appendix B, Section 2**.

The PBMs note that Question B.8 requested information back to 2008, while Question B.9 requested information back to 2006. Some plaintiffs responded to Question B.9 by referring to their complete response for Question B.8. These plaintiffs should make a good-faith effort to providing the missing information for 2006 and 2007 for Question B.9.

The plaintiffs whose Fact Sheets suffer from this temporal deficiency are separately delineated in **Appendix B, Section 2-a**.

Partial Fact Sheets

Twenty-eight government plaintiffs seeking leave to amend have served only partial or supplemental Fact Sheets. For example, Limestone County, AL, 1:18-op-45328, submitted an email attaching Fact Sheet supporting documents bates stamped Limestone County_000010-

001820. Yet the PFS Repository Sharepoint site does not have a Fact Sheet for Limestone County. Similarly, Alameda County, CA, 1:19-op-45726, submitted a short supplement to its Fact Sheet with updated data on February 12, 2023, but the PFS Repository does not contain a complete Fact Sheet for Alameda County.

A list of plaintiffs that submitted partial fact sheets as described herein is attached in **Appendix B, Section 3.**

Inaccessible Fact Sheets

A number of government plaintiffs seeking leave to amend have submitted inaccessible Fact Sheets using expired document-sharing links. Likewise, others have submitted an unreadable PDF, service emails without attachments, attachments that contain only the first page of the Fact Sheet, or incorrectly attached the wrong Fact Sheet to the submission email.

A list of plaintiffs that submitted inaccessible fact sheets as described herein is attached in **Appendix B, Section 4.**

Outdated Fact Sheets

Finally, at least 1,000 – *more than half* – of the government plaintiffs seeking leave to amend submitted Fact Sheets before January 1, 2020. These Fact Sheets are thus devoid of relevant information for the last four years regarding individuals with knowledge, alleged expenditures with respect to claimed damages, insurance providers, and PBMs, among others. For example, many of these plaintiffs may have changed PBMs or insurance carriers, incurred new or different costs allegedly related to their damages claims, and most, if not all, have new individuals in their municipal government managing relevant departments. Accordingly, many of the plaintiffs seeking leave to amend must supplement their Fact Sheets with up-to-date relevant information. *See* Dkt. No. 638-1 (“Plaintiff shall supplement its responses if it learns that they are incomplete or incorrect in any material respect.”). A list of government plaintiffs that submitted Fact Sheets dated before January 1, 2020 is attached in **Appendix B, Section 5.**²

* * *

² Many government plaintiffs also submitted unsigned or undated Fact Sheets. Because the PBMs therefore cannot ascertain whether the information in those Fact Sheets is outdated, the PBMs did not include plaintiffs with unsigned or undated Fact Sheets in Appendix B. These plaintiffs must nevertheless supplement their Fact Sheets to the extent they contain outdated or incorrect information, as required by the Fact Sheet Implementation Order (Dkt. No. 638-1).

Pursuant to paragraph six of the Fact Sheet Implementation Order (Dkt. No. 638), the Express Scripts Defendants and Optum Defendants hereby request that, within 21 days, all plaintiffs identified in Appendix B correct all deficiencies in their Fact Sheets by (1) providing substantive, complete responses where the plaintiff did not previously respond, (2) supplementing any responses that are “incorrect or incomplete in any material respect,” for the *entire* timeframe called for by the question, including to present day, (3) clarifying any ambiguous responses, (4) producing all responsive documents, if applicable, and (5) ensuring the Fact Sheet is available, accessible, and readable from the PFS Repository Sharepoint site. If plaintiffs fail to address these deficiencies, the Express Scripts Defendants and Optum Defendants intend to move for appropriate relief.

Sincerely,

/s/ Jonathan G. Cooper
